

PVC Backdrop Plans

Tools

Pipe cutter

Tape measure

Permanent marker

Supplies

4 - 10' PVC pipes 1" diameter

2 - 90 degree PVC elbows

4 - PVC Tee joint

Cut lengths

2 - 8'

2 - 4'

2 - 3'

4 - 2'

2 - 1'

The 2' and 1' lengths are interchangeable as feet for the backdrop. If you are in a tight location, the 2' and 1' lengths can be combine to make a shorter foot as illustrated to the right. If more stability is needed use all 4, 2' lengths. There will be two extra pieces of pipe. This is to give options.
